

EXAMPLE MIGRAINE **SCREENING TOOL**

Asking your patients **three simple questions based on the ID Migraine™ Validation Study** can help you diagnose migraine¹

During the **past 3 months**, did you have the following with your headaches?¹

Q1

You felt nauseated or sick to your stomach?

Yes No

Q2

Light bothered you (a lot more than when you don't have headaches)?

Yes No

Q3

Your headaches limited your ability to work, study, or do what you needed to do?

Yes No

2/3 for migraine. Sensitivity: 0.81. Specificity: 0.75.¹

If your patient answers yes to 2 out of 3 of these questions, there is a 75% chance he/she has migraine¹
